Re: Chapter 13 Trustee Remodel

Dear Mike,

How impressed we were with the excellent job Mulhearn Wilson did on the addition of the two new offices in our suite! I have dealt with several different contractors and subcontractors in previous commercial renovations and tenant build outs over the last twenty years and have never worked with a company that was as professional as MWC. Your integrity and commitment to quality was obvious from the moment I first met with you, including the site supervisor and work crew assigned to our job.

We definitely will be contacting your company when needed in the future and highly recommend Mulhearn Wilson Constructors to others!

Sincerely,
B.J. Golden
